Election Commission | electioncommission@iastate.edu

## Review of Campaign Material

Prior to dissemination, campaign material must be reviewed to ensure that all criteria listed in the Election Code and other governing documents or policies are met. This form is to serve as a checklist for liaisons approving campaign material for candidates. Campaign materials are subject to rules and regulations outlined in the Chapter 8 and other applicable chapters of the Election Code. Campaign material may be required to submit material for Trademark approval.

Campaign submitting material for review: \_\_\_\_\_

**Does the campaign material include the following? Please note that all stamps must be legible to the naked eye (8.7).**
