| <p>The Student Government Constitution currently requires that six of nine Justices be present at Supreme Court meetings to attain quorum. This impedes the ability of the Court to meet when there are vacant seats. The Senate has voted in favor of amending Article IV Section B Clause 8 to read “Two thirds of seated Justices, rounded up, shall constitute quorum of the Supreme Court.”</p> |              |                   |
